

Summary

Full Stack Developer with expertise in **React, Spring Boot, and Java**, experienced in building scalable web applications and integrating efficient **REST APIs** with **MySQL** and **PostgreSQL**. Demonstrates strong academic performance (CGPA: **9.04/10**) and the ability to quickly adapt to new technologies. Possesses a solid foundation in **Data Structures, OOP, and DBMS**. Adept at collaborating in teams and delivering scalable, maintainable solutions with a disciplined engineering approach.

Education

B.Tech in Information Technology, Dharmsinh Desai University Final Year	2023 - 2027 CGPA: 9.04/10
Dream Internation school HSC	2021 - 2023 99.13 PR
Ultra Secondary School SSC	2020 - 2021 98.43 PR

Projects

ScholarAssist (Full Stack Web App) Code - Built a full-stack application with React, Spring Boot, and MySQL to centralize scholarship data. - Used JSoup-based web scraping to dynamically fetch and update scholarships from multiple sources. - Developed an eligibility-based recommendation system to match users with relevant scholarships. - Containerized the application with Docker for consistent deployment and environment management.	Feb 2026
Sorting Visualizer (Java) Code - Developed a Java sorting visualizer showcasing Merge, Quick, Selection, and Insertion Sort. - Enabled dynamic algorithm selection based on input type (sorted, random, reversed) for optimized performance. - Created interactive visualizations with pivot highlighting, step-by-step execution, and real-time updates. - Designed an intuitive UI with manual input and color-coded elements to enhance learning.	Apr 2025

Technical Skills

Languages	Java, C++, C, SQL
Frontend	HTML, CSS, JavaScript, React
Backend	Spring Boot, Node.js, REST APIs
Databases	MySQL, PostgreSQL, MongoDB
Tools	Git, GitHub, Postman, Docker, Kubernetes, CI/CD
Concepts	DSA, OOP, DBMS, Computer Networks, OS, AWS (Basics)

Certifications

- Secured **75%** in **NPTEL Database Management Systems (DBMS)**, ranked in the **Top 2%** nationally, and awarded the **Silver Elite** certification.
- Earned **certifications** in **Java (Basic)** and **Problem Solving (Basic)** on **HackerRank**.
- Secured **AIR 27** in **NCAT (National Creativity Aptitude Test)**
- Participated in **DU Hacks 4.0 hackathon** and **DU Hacks 5.0 hackathon** at Dharmsinh Desai University.
- Volunteered for the **Digital Treasure Hunt** at Dharmsinh Desai University and received a certificate.
